Katniss Everdeen is in District 13 after she shatters the games forever. Under the leadership of President Coin and the advice of her trusted friends, Katniss spreads her wings as she fights to save Peeta and a nation moved by her courage. With the Games destroyed, Katniss Everdeen, along with Gale, Finnick and Beetee, end up in the so thought "destroyed" District 13. Under the leadership of President Coin and the advice of her friends, Katniss becomes the "Mockingjay", the symbol of rebellion for the districts of Panem. I gave this movie a three instead of a 1 or 2 because I want to finger this movie by giving it the Mockingjay symbol. For 1, this movie completely ruins any badassery that JLaw had. She cries 10 times this whole movie, I counted. She won The Hunger Games, twice, (technically) and she still cries like a bitch. Next, they make one of the worst songs ever. The song is 80% "Are you". Thank God Lorde was here to recover the soundtrack for a brief time. Rolling along, This movie has no action for like 70-85% of the whole thing. Moving on, they make Prim seem like she doesn't have a care in the world for anything. She goes back for ButterCup, and seems to neglect anything that doesn't involve her cat. She has no sense of urgency in that scene. And finally (for now) Peeta should be nicknamed Pemis. He has no balls at all. He fights for literally anyone at all, the only time he seems to have some is when he tries to kill Katpiss, and we all wish that would happen.

That is why I hated this movie. I started out this franchise not really caring for the characters or the story but "Catching Fire" did a fairly decent job of hooking me in. I was actually pretty excited for this one but I was a bit let down with it.

"Mockingjay - Part 1" is darker in tone and its political themes are nice but the film just feels like filler and a prelude to the real action. I appreciate how this one is basically gearing up for some big drama, conflict and action but it made for a film that feels like an extended first act of a bigger film. Add in that Katniss is not fully badass yet and spends most of her time blubbering and the fact the film is actively NOT showing action scenes and the final result is just a boring film that is sluggishly drawing itself out in order to potentially maximize Box Office Revenue. It's functional and serves a purpose but to be an entire film, it just felt like a boring waste of time. Mockingjay - Part 1 is all queue, no roller-coaster. The third of four films in the successful and admirable Hunger Games series is any number of good things: intense, stylish, topical, well-acted. But the one thing it could never be called is satisfying. The winner of the 74th and 75th Hunger Games competition, District 12 tribute Katniss Everdeen ([Jennifer Lawrence](#)) finds herself labeled the "Mockingjay", the symbol of rebellion for the districts of Panem. Her only concern, however, is the survival of her partner Peeta Mellark ([Josh Hutcherson](#)), who has been taken captive by the Capitol. The Hunger Games: Mockingjay - Part 1 is based on the first half of Mockingjay, a 2010 novel by American writer Suzanne Collins. It is the third movie in The Hunger Games series, preceded by [The Hunger Games \(2012\)](#) (2012) and (2013). The novel was adapted for the film by American screenwriters Peter Craig and Danny Strong. It is followed by [The Hunger Games: Mockingjay - Part 2 \(2015\)](#) (2015). This is the pearl that Peeta gave Katniss in Catching Fire. Peeta found it in an oyster during the 75th Hunger Games, and it's Katniss' only remaining link to him. Katniss is reunited with Peeta but, when she tries to hug him, he suddenly attacks and tries to strangle her,. Katniss is saved only by Boggs' ([Mahershala Ali](#)) intervention. Later, it's explained to her that Peeta was "hijacked"—a form of fear conditioning enhanced with tracker venom. Meanwhile, District 13 President Alma Coin ([Julianne Moore](#)) announces that her covert operation into the Capitol has resulted in the victors being liberated and requests that all the districts of Panem unite against their mutual oppressor. In the final scene, Katniss looks into the medical chamber where a manically-distressed Peeta is being held in restraints. a5c7b9f00b
